Dear Mr. Young:

RE: C00271312
Year End Report (7/1/97-12/31/97)

In response to your letters of April 7 and April 30, the Committee to Re-Elect Nydia M. Velazquez to Congress is pleased to submit the attached amended Year End Report.

With regard to the description of the purposes for disbursements, we have corrected those which needed further clarification. In addition, while reviewing the data, we discovered a \$600 rent payment to Dajun-Neil Corp. which had not been previously reported. We also moved Other Disbursements to Line 21.

We corrected the disclosure of the in-kind contribution from the DCCC, making sure the value was added to both the receipt and disbursement totals.

The unitemized individual contributions have been separated out of the itemized receipts. The actual total of unitemized receipts was \$11,471. In the future if we choose to file these unitemized receipts, we will make sure they are reported on Line 11(a)(ii).

Because the above corrections changed the amount of cash on hand, an amended Quarterly Report (1/1/98-3/31/98) is also enclosed.

Please let me know if you have any questions regarding this amended report.

Sincerely,

Betty Diana Arce
Treasurer
